Sir:

It is respectfully requested that a Certificate of Correction be issued in connection with the above-identified patent. It appears that the errors noted are mistakes of a typographical nature, at least one of which was made by the attorneys for the Applicant. The mistakes were made in good faith and correction thereof would not constitute new matter or require reexamination. Accordingly, two copies of the special Certificate of Correction are attached hereto. It is believed that the errors noted are errors of consequence involving claim language and thus warrant the granting of a Certificate of Correction.
